

Mr.Theertha Prasad K, writing under the pen name TPK, is an experienced Assistant Professor of Commerce at Govt. First Grade College, Peenya 1st Stage, Bangalore. With an academic background that includes an M.Com, MBA, and PGDFM, he specializes in Finance, Accounting, and Taxation. Before entering academia, he worked in a public sector bank, gaining valuable insights into the financial industry. His first book, "FinTech Fundamentals: Concepts, Tools & Applications", was praised for its clear and accessible explanation of fintech. In this second book, he continues his mission to simplify complex accounting principles and inspire readers to deepen their understanding of finance by bridging the gap between theory and practice.
